It starts with one can. To feed the hungry. To lift someone's spirits. To Change the world. **canstruction**, a charity committed to ending hunger, is using "one can" as a catalyst for change. In an average month, an estimated 200,000 people ate from an emergency food box in Oregon and Clark County, Washington. An emergency food box provides a 3-to-5 day supply of food for a family. **SDA Portland Chapters** annual **canstruction** design and build competition puts a vital spotlight on hunger while showcasing our design community's best and brightest. Think you have what it takes to design and build a structure made of nothing more than canned food, ingenuity, and luck? Enter today, get creative and help stop hunger! "One Can" make a difference

WHAT IS CANSTRUCTION?

It is a design/build competition for our local design industry to raise **awareness, food and money** for the growing **HUNGER** problem in Oregon and SW Washington.

Join The Society for Design Administration
and

The Oregon Food Bank in giving to those less fortunate a meal and a chance for a healthy tomorrow.

Are you creative? Do you like to help your community? Are you a part of the Architectural, Engineering or Construction industry?

**PLEASE HELP US GIVE OTHERS A
BETTER TOMORROW**
